PROFILE

Junior Software Engineer with 10+ years of Retail Management experience who is interested in expanding my role within the tech industry. Highly skilled in building beautiful components, managing teams and project management. Proficient in HTML, CSS, JavaScript,TypeScript, React, Node, and MySQL. Motivated, kind, energetic, team player, collaborative critical thinker.

WORK EXPERIENCE

Junior Software Engineer
Thesis, New York City, NY | 2021 - Current
- Built and helped design the front end components for the Customer Portal NextJs app using React, Typescript, and Tailwind.
- Completed a project to collect customer reviews on Yotpo using Typeform, Airtable, JavaScript, and the Yotpo API.
- Maintain the current e-commerce website and regularly make updates based on UI/UX redesigns using React, Webhooks, Typescript, Tailwind, and Figma.

Full Stack Engineering Intern (Remote)
Walrus, Inc, New York City, NY | 2020 - 2021
- Worked with Front End Team to build a functional landing page that fully aligned with design specs using TypeScript, React, Redux, Figma, and Storybook.
- Utilized and helped build APIs and database structures for the landing page with MySQL, Prisma, and GraphQL.
- Maintained strong communication skills while working remotely utilizing team collaborating and project management software such as Github, Slack and Jira.

Retail Department Manager
Free People Soho, New York City, NY | 2019 - 2021
- Utilizes KPIs to analyze and identify business trends and forecasts.
- Trained over 40 team members in successful strategies to manage daily operations and exceed sales targets.
- Offering hands-on assistance to customers, assessing needs and maintaining current knowledge of consumer preferences.

Retail Operations Project Manager
Birchbox, New York City, NY | 2018 - 2019
- Partnered with Director of Retail and Chief Operations Officer to manage daily operations for all Birchbox retail initiatives.
- Worked directly with Walgreens Merchandising and Supply Chain teams to execute 12 different Birchbox at Walgreens store openings.
- Built business analysis and KPI reports with Excel for internal study of trends.
